

CAPTIVATE YOUR AUDIENCE THROUGH ANIMATED VIDEO

WHY CHOOSE ANIMATED VIDEO?

Animated videos are twelve times more likely to be watched than text is to be read. That's why they're on the top of the popular digital content list! It allows your audience to sit back and digest the content that is being spoken as the visuals appear on the screen. Animated video content allows you to be human and tell a story in an appealing, captivating way.

BRAND VIDEO

STARTING AT \$2,495

Create a video that highlights your company with imagery and verbiage that matches your brand.

SOLUTION OVERVIEW VIDEO

STARTING AT \$2,495

Choose a solution or technology and we'll co-brand the visuals with the manufacturer and use content that leads with your message.

WHITEBOARD VIDEO

STARTING AT \$2,495

These extremely engaging whiteboard videos use a hand-drawn style to convey your story.

LEAD WITH **YOUR BRAND**, NOT THE MANUFACTURERS'

Digital content is the foundation for building a strong brand and can be used to generate demand through your website, social media, email correspondence, and customer-facing activities. Our content is created 100% custom for our clients to help drive their brand and message.
